John Cameron is the Founder and Managing Partner of Cameron Engineering & Associates, LLP. The Firm is in its 33rd year in business, specializing in various aspects of consulting engineering and planning, serving the public and private sectors.

An engineering graduate of the United States Merchant Marine Academy at Kings Point, Mr. Cameron also holds a Master’s Degree in Environmental Science from Long Island University and has an honorary Doctor of Laws degree from Molloy College. Mr. Cameron serves on numerous boards including those of civic, professional, educational and church organizations, including the Long Island Regional Planning Council, where he serves as Chairman; the Holocaust Memorial and Tolerance Center of Nassau County, the Hofstra University and Stony Brook University Engineering Schools, the U.S. Merchant Marine Academy Alumni Association, the LI STEM Hub and others.

Mr. Cameron has received many awards in his career for his professional achievements, including Kings Pointer of the Year Award, (the highest recognition awarded to an Alumni from his Alma Mater), NYACE’s Engineer of the Year, the Pine Barrens Society’s Outstanding Contribution to Long Island’s Environment, the LI Press Power List Hall of Fame, the New York Water Environment Association’s Hall of Fame, Long Island Business News CEO of the Year, Entrepreneur of the Year (Inc. Magazine), Networking Magazine’s David Award, the Charles and Anne Morrow Lindbergh Award for contributions to the environment, Distinguished Alumni of the Year Award (from Long Beach Catholic School, his grammar school alma mater) and others.

He has also been recognized for his community and church contributions including the St. Agnes Medal of Service and Catholic Charities Caritas Award (both co-honored with his wife, Loretta), Man of Heart Award from Sacred Heart Academy, Erase Racism’s Corporate Leadership Award, Business Person of the Year from the Long Beach Martin Luther King Center, St. Agnes Parish Celebration Honoree, Education Partner from Nassau BOCES, and various others.

Mr. Cameron has diverse personal interests including surfing, sports, music, travel, reading, writing, art and politics. He and his wife Loretta, reside in Rockville Centre as do their two married children, and grandsons, Jack and Will. His favorite time is spent anywhere with his family, but most especially at the beach.
Welcome to the 22nd Annual Golf Classic to support the mission and ministries of the Sisters of St. Joseph. It is a day to celebrate the wonderful partnerships the Sisters enjoy with you our friends and supporters. Because of your help we can continue our mission to meet the needs of the dear neighbor and undertake ministries that reveal the healing, liberating and reconciling love of God.

Partnering with you and other dedicated persons to work for justice and uphold the dignity of all life, our mission is vibrant and visible in continuing and new ministries as we:

- Educate more than 3,000 young women who attend our six high schools.
- Support over 300 immigrant women as they learn English and contribute to family and community life in The Learning Connection for adult education.
- Serve in parish ministry throughout greater Long Island and in Puerto Rico.
- Minister to the aged and infirmed in our 188-bed Maria Regina Skilled Nursing Facility.
- Empower women who have been released from prison and their children at Providence House and Hour Children.
- Advocate for social justice in the areas of immigration, human trafficking, peace and nonviolence, accessible healthcare and affordable housing.
- Promote sustainable living as we partner with seven organic farmers to cultivate our land and provide affordable and nutritious food for our neighbors.
- Collaborate with the Long Island Community Foundation, Peconic Land Trust and other groups to explore land preservation and environmentally sound waste management.
- Provide over sixty percent of the energy needed in our Motherhouse complex with solar energy.
- Welcome young women to a one-year volunteer service Program, St. Joseph the Worker.

You play a vital role in our efforts to live our mission in this time in history.

Today, we celebrate and honor John Cameron whose generosity and professional expertise has influenced and enabled many of our sustainability efforts to move forward. He has generously supported the education and empowerment of young women in our high schools.

The Sisters of St. Joseph thank our Tournament Sponsor Cameron Engineering, and all of our sponsors who not only help to make this day a great success, but whose continuing support is so vital to our mission. Thank you for your gifts of encouragement, love and support. Our Sisters continue to pray for you and we ask you to pray for us.

I hope you have a wonderful day of golf and companionship. I look forward to enjoying this day with you.

Gratefully,

Sister Helen Kearney, CSJ
President

John D. Cameron, Jr., P.E.
Cameron Engineering

for being honored at the Sisters of St. Joseph 22nd Annual Golf Classic

Molloy College, an independent Catholic college based in Rockville Centre, Long Island, New York, was founded in 1955. The College serves a student population of approximately 4,900 undergraduate and graduate students. Molloy students can earn degrees in a variety of outstanding academic programs, including nursing, business, education, social work, music therapy and many more.

Founded by the Dominican Sisters of Amityville.
At BNY Mellon, we’re committed to a healthier, happier future for the world.

It is our great pleasure to support the Sisters of St. Joseph. We applaud their dedication and commitment to our community.

CONGRATULATIONS

OUR MISSION

The Sisters of St. Joseph believe in the power and presence of a loving God, active in our world, for all time, and in this time.

United with all who minister with us, we seek to bring God’s healing and reconciling love where there is the greatest need.

WHO WE ARE

The Sisters of St. Joseph Brentwood are the largest order of Catholic women religious on Long Island, and have a 160-year tradition of ministering wherever they are needed.

Their mission includes empowering women and girls, education, health care, social justice, ecological conservation, and spirituality.

The Sisters strive to live their mission by responding to the needs of “our” time.

They are educators from elementary to the university level, social workers, health care professionals, parish ministers, spiritual directors, administrators, and environmentalists.

They serve in the fields of law and medicine; advocate for social justice and immigration reform.
