

Vision Statement

WE BELIEVE

That we create the future
as we move with the Spirit
in giving full expression
to our giftedness as women in the Church
sharing equally in its mission=
in living a life that is
 simple
 prayerful
 courageous and
 compassionate-

In proclaiming with prophetic voice the gospel
to all people-
in strengthening our corporateness as women in community-
in demonstrating our belief in the dignity of the human person
and the call to secure the dignity of all women and men-
in expressing our solidarity with the poor and oppressed-
in caring for Earth our common home.

In Faith and Hope we accept the challenges these beliefs imply.
