

## **Vision Statement**

### **WE BELIEVE**

That we create the future  
as we move with the Spirit  
in giving full expression  
to our giftedness as women in the Church  
sharing equally in its mission=  
in living a life that is  
    simple  
    prayerful  
    courageous and  
    compassionate-

In proclaiming with prophetic voice the gospel  
to all people-  
in strengthening our corporateness as women in community-  
in demonstrating our belief in the dignity of the human person  
and the call to secure the dignity of all women and men-  
in expressing our solidarity with the poor and oppressed-  
in caring for Earth our common home.

In Faith and Hope we accept the challenges these beliefs imply.
